

Personal Invitation

Main.net Communications, a world leader in broadband Power Line Communications (PLC), would like to meet you at CeBIT 2004.

Meet us and learn about the latest features and benefits of Main.net's new generation of PLUS system solutions.

Let us show you our PLUS for schools and PLUS for hotels solution.

Come and explore with us how our commercially proven PLUS™ product line can help you build a successful business case.

**Come and join us at CeBIT 18-24
March 2004
Hannover, Germany
Hall 12, Stand A54**

- ▶ Are you interested in learning more about Main.net and its PLUS system solution?
- ▶ Do you want to know about our commercial deployments worldwide?
- ▶ Is PLC over medium voltage or PLC for schools and hotels of interest to you?

Register for a personal meeting now to get all the answers!

Just click on the CeBIT banner on our website homepage at www.main.net-plc.com, fill out the form and send it to us.

We look forward to meet you at our booth on the day of your choice.
